Primary Trade:		
What service area(s) do you maintain?		
Are you interested in receiving work referrals?		

Eligibility for dealerships and free work referrals are for resellers who purchase through us and remain in good standing with WSS by complying with all reseller terms and conditions. Listing may be revoked if these terms and conditions are not met.

By submitting this application I agree to the following terms and conditions:

1. Purchase the water security products we offer only from Water Security Solutions
2. Refrain from advertising or sharing dealer's trade and price information on any internet site or other national or social media and keep confidential from competing manufacturers, customers and the general public.
3. Provide proof of licensing (for professional trades only) and liability insurance.
4. If not already a licensed plumber, to work with locally licensed plumbing contractor(s) for valve component installation per system warranty requirements.
5. Adhere to all laws required by the state in which you sell as relates to sales tax reporting/payment and internet selling restrictions.
6. Contact sales leads delivered by Water Security Solutions within 2 business days of receipt and conduct business in a professional and courteous manner.
